I received the returned original grievance back on 8-30-20

You must try to resolve your problem with a staff member before you submit a formal complaint. The only exception is when appealing the results of a disciplinary hearing.

Who did you talk to (name, title)? SGT HART When? 9-14-20

What was their response? TOLD HIM I WAS ASSAULTED BY BRIAN EUBANKS (A113)

What action was taken? NOTHING ON EUBANKS, BUT HE MOVED ME TO A SAFE PLACE

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

#5 Rule on instructions on how to write a grievance form from TDCJ says "The loss or damage of authorized offender property possessed by persons in the physical custody of the agency for which the agency or its employees through negligence or the proximate cause of damage or loss of property. on 9-14-20 my roommate Brian Eubanks assaulted me by hitting me in the head, the right hand, left and right knee and left foot. I had a cut on my head, bruises and red marks all over my body and had to get my hand X-rayed. Sgt Hart pulled me out of the cell then locked me in a cage for 30 minutes. The first thing I said was he assaulted me. I told him I had written the Warden, UCC and psych on 9-9-20 trying to get moved because he threatened to kill me, cut me while I was sleeping and cut himself and say I did it, he was also extorting me for coffee by bullying me and trying to intimidate me and also stealing coffee from me while I was sleeping. I told Hart "None of them even responded to me!" I told 3 TDCJ departments I was getting "death threats" I then told him Eubanks had just broken my headphones and fan. that he was going to try to steal all my stuff, please get my radio and all my property. He packed my property 3 moved me to C pod. I showed him the cuts, the red marks 3 said I needed to go to medical. He said put a sick call in. I asked if Eubanks was getting charged for assault he said NO, in moving you what else do you want? I asked where my radio was he said there is no radio, then slammed the cell door shut. I yelled I told you I had a radio when you pulled me out of the cell. He walked out of the dorm I got a guard in C dorm to take him my receipt w/ serial # the guard came back an hour later and said he said there is NO radio. HART did not search the cell because if he had he would've found my radio. Eubanks obviously hid the cell door & the floor is too small to pass a radio thru the door. So I wrote a report about the assault. Appendix F

The ~~from the~~ ~~negligence and about the assault.~~ She photographed the cuts the bruises and red marks. Then she called medical to make sure I did actually get seen. She found out I had to go for an xray. They said I am moving you to OPI to investigate. I said why I am safe now. I got myself moved since no one would help me by getting assaulted - just like I told the warden UCC and psych. I knew it was going to happen because Eunkes kept getting more aggressive and they took him off 1/2 his psych meds. I said I don't want to move him safe I don't have a roommate now. I am very traumatized by this I already take meds for my PTSD. You want to move me to OPI then move me in w/ another psycho. She said if I sign a statement saying I am not in fear for my life I just wanted it documented I could not make so I did but then moved me 10 days later. She said she would go get my property but I saw her the next day while I was going to medical I asked her about if she went to get my property she said no, I'm busy I don't have time for that. NO ONE WILL GO GET MY PROPERTY - Chin Colton Date: 9-30-20

THERE are several problems with Hart's and this story Hart is telling. First we can look at video. Video will show I left handcuffed escorted by Hart. That is policy correct? To be handcuffed. And I had to go get an Xray 3 days later because it was so bruised and painful which is documented. My hand was also photo graphed by Capt Turner. So you all are saying I agree that I dragged all my property down a flight of stairs w/ my handcuffs on behind my back? with a damaged hand even. WOW! I was taken to the detainee cage by the front desk and my property was given to me by Sgt Hart. But as I said Subanks stole my radio all my clothes cash cable 30 water bottles. Because Hart refused to search. All after I requested it 2 times and even gave him the receipt thru another officer so he could verify the serial #. He did it even give SUBANKS an assault charge

Who did you talk to (name, title)? WARDEN TOVAR When? 10-30-20

What was their response? TOLD HIM I WAS IN FEAR FOR MY LIFE NEEDED

What action was taken? TO GO TO OPI - HE SAID I FUCKIN HEARD YOU LET ME FINISH FEEDING

State your grievance in the space provided. Please state who, what, when, where and the disciplinary case number if appropriate

So on 10-30-20 I told Martin on AT 1230 I was having big problems with my copio STENSON 3C14B and needed to be moved immediately. He said later he told the Sat. on duty. Several hours passed at 2:45 I asked again he said the same thing. Then Tovar was handing out trays and I told him I need to go to OPI I'm in fear for my life. He said I fucking heard you let me finish feeding. He came back 10 minutes later and talked to 15 call then Stenson stopped him and Tovar talked to him about commissary. Tovar never even acknowledged me or asked if I was OK. He saw my bags were packed they were on the floor. He left never came back. Martin disappeared. No Sat. ever came. There was an older guard on duty with glasses I told him 4 times I needed to go to medical because after Tovar left Stenson went into a rage threw all my property at me hit me in the head w/ one of my shoes and punched me 2 times in the ribs and in the shoulder. You can see the full report with PREA officer (Carter). I have PTSD really bad from being jumped by 2 black dudes in Dallas County. I started having a panic attack after he assaulted me I couldn't breathe, heart palpitations, dizzying, my hands and feet went numb. I take a lot of meds for PTSD I stayed at the door for 2 hours trying to get a guard to get me out. after the 6pm card came I started screaming at him to get me the fuck out he's going to kill me.

This is the 3rd time I've been assaulted at TDCJ. I got here on 3/19. I was assaulted at Lymaugh unit by Alejandro Castro. I asked Sgt Gonzalez (male) to move me 7 times and showed him the bruises Castro had put on me. He refused to keep me safe. Here in COLD All Eubanks assaulted me I had the female Lt photograph the cut on my head and marks and bruise. I wrote T-2 2 times, the Capt, P-3, the Chaplain to move me from Eubanks because he threatened to kill me 3 times while I was sleeping and was torturing me for cold. NO ONE EVEN RESPONDED AND I GOT HURT REALLY BAD. I WANT TO TALK TO A REAL PRISON OFFICER AND A TDCJ ATTORNEY. I WANT THIS TO GO TO HUNTSMVILLE. I WILL FILE STEP 2. Date: 11-08-20

I wrote medical 3 times to get medical attention after the assault from Stenson. My ribs and shoulder were bruised and I had a big red scratch on my face where he hit me with a stick. I could not get medical to respond. I did however make copies of the I-60's to medical with the dates. VCC did try to make a change 2 times - Correct! They tried 2 times to put me right back into VC with the inmate who assaulted me which I again refused and filed another OPI because VCC was putting me in danger of being hurt. This guy put a hit out on me by the bloods 3 Crips for switching on him. I filed an OPI on that as well with Sgt Cortez / Capt Miller and Sgt Anderson / Capt. Mendora. Everyone was aware I even told the GI but they continued to endanger my safety by trying to put me in population. My witness was never contacted either DARRON MASON. When I was in 11 Transit I spoke with inmate JOSE MALDONADO across the hall. The exact same thing was happening to him except when he refused housing the officers pushed him down.

*While he was handcuffed behind his back resulting in photos being taken at medical documenting his gashed eye bleeding, the officers dislocated his shoulder which medical only gave him aspirin for then the investigating officer lied on report saying he pushed himself down*

On 4.28.21 my roommate Joe Parker was moved or attempted to be moved back into a cell 38B in our dorm. This was a cell where he fled and went into life endangerment status because of his cellie Jimmy. But for some reason WCC tried to move him there then move Joe Morrison in with me. This is the inmate that beat up Sgt Hart in December 2020 which the whole prison staff knew about and the inmate who did it. Me and Joe were getting along perfectly so we ask what was the purpose of this move? On lockdown even we could not find a reason so I turned all the info over to Robert Jordan and he can have OMBUDSMAN put out because to me it would seem like a perfect opportunity to for us both to be placed with very dangerous and psychopathic inmates, one might even say this would qualify as a campaign of harassment (Calhoun v. Wisconsin Dept of Corrections 434 F 3d 1031, 7th Cir 2006) retaliation and conspiracy to harm, since we right so many grievances violation 804 allegations for using grievance system retaliation 3 harassment) CODE 918, 805. I had to be taken to OPI because Joe Morrison while being served a case for a knife charge shook down a few days earlier decided he would masturbate on the cell lady which can be seen clearly since he was standing on this mattress at the front door w/ the light shining directly on him. Sergeant Teskin would be a witness to this because he came back at 4:30 pm to serve him this is when I told him my life was in danger and needed OPI but he never came in help me. I was called out to the prison later.

After giving the Asian young gentlemen a note that LT. McCormick man  
has of how Garrison threatened to make me have sex with him  
or he would beat me up. He found out I am transgender and thought  
he could make me have sex with him. He also told Jimmy in 3A 8T  
that I could be used and abused as he was in the shower and  
the guards were escorting me out to safety. But on 4-29-21  
UCC decided it would be perfect for me to be Jimmy's roommate  
in 38T and tried several times thru several guards to pull me in that  
cell and the guards even threatened to gas me if I didn't go. I am  
'retty sure I am supposed to be kept safe and housed w/ gay or  
transgender inmates only I think that is  
a law. We will find out soon!

Give reason for appeal (Be Specific). I am dissatisfied with the response at Step 1 because...

Results of UCC decision of OPI  
UCC- 5.16.21 unable to substantiate the allegation of being sexually harassed VIOLATION 4043.4103.001 (TDCJ POLICY)  
PREA- SAFE PRISONS determines "when an inmate exposes his genitals to you, this is sexual harassment"

On 4.28.21 when you look at camera footage in cell 3A19 from somewhere 3pm to 4pm the case lady and Sgt Teskin came to serve Garrison a case, when they walked away the case lady and Teskin saw him masturbating at the door w/ the light on- this would be where he exposed his genitals to me, the case lady and Teskin

At 4:30 pm 4.28.21 Teskin came back to cell 3A19, where Garrison and myself remained and served him a case for masturbating on the case lady.

This is evidence of sexual harassment in the eyes of PREA, TDCJ Policy, Texas Legislature, and CAZUDMAN.

Just because Keese types words and says something is not true does not negate the facts and hard evidence and make it untrue. That is impossible in our reality and a court of law.

All information regarding even single detail of anything you say and do to me will be reported to Robert Jordan, COMMISSIONER, TIFA and Huttoville Kaller Ward / Safe Prisons and my family. Ombudsman,

Yesterday, I received a letter dated 29 April 2021 (postmarked 30 April 2021) from inmate Colbert.

His letter said:

"... I am getting really scared on this unit. The retaliation is escalating out of control and I am ... in fear for my life to be on this unit.

I got your info from Joe Parker... They are retaliating on us both bigtime for writing grievances. Me especially because they know about the 1983 lawsuit and that I've contacted you.

About 3 weeks ago Joe moved into my cell. He had just come from a life endangerment safe cell. He tried to file on his cellie Jimmy in 3A8T.

We were ... getting along (fine). On 4-28-21 for ... no reason they tried to move him ... back to 3A8B w(ith) the guy Johnny that he had tried to file on.

I guess they would not give him OPI paper... (That) is what he said.

When he went to move I told him not to go into the cell (and to) file (an) OPI (which) he did.

Then they moved ... Joe Garrison ... in with me. He beat up a guard here real bad. Just got a case for a knife, etc....

... UCC know(s) how dangerous he is. This shows retaliation, I believe.

We're on lockdown... (T)here was no reason the move should (have) happened. I am being put in danger. I can't protect myself.

I have had another inmate I told you about (who) was very dangerous (and) they put me with and I got assaulted then they tried to cover it up and deny the assault.

So last night they moved me out of the cell because Joe Garrison started threatening me physically and threatened to rape me and beat me up if I didn't let it happen.

This morning UCC moved me from safe housing for no reason and tried to move me back in the same dorm with this Jimmy (guy's) cell. And I refused and ... am in OPI now.

I am filing a step 1 but they keep trying to endanger me with these black gangsters that have life sentences – Joe Garrison 99 years, Craig Bo Stenson 2 life sentences, and Jimmy I am not sure.

But I have heard there was sexual misconduct with Joe Parker against Joe (by) Jimmy and I am not sure if it's true but I am not going to find out by being his cellie.

They threatened to gas me if I didn't go in but I said I know my rights and they took me to OPI.

I need off this unit as soon as possible because these people ... are trying to house me with (violent inmates) and do not care about my life.

(These inmates) will never leave prison and this shows retaliation ... and (harassment).

... they are going to fake the OPI investigation as they always do and send me ... back to population... (P)lease contact Ombudsman as soon as possible.

I take meds for PTSD and I have lost over 40 pounds since (being) on this unit from stress. I am having daily panic attacks.

Aren't they supposed to house me with gay or trans inmates only? I thought was the law."

I would appreciate your investigating this matter, which involves a possible Life Endangerment situation.

PS I am assisting this inmate on a pro bono publico basis. I have not agreed to represent him in any court (or other) proceeding. I am not a litigation attorney.
